Old Testament Lesson Rev. Keith King
A friend loves at all times, and a brother is born for adversity.
There are friends who pretend to be friends, but there is a friend who sticks closer than a brother. (Proverbs 17:17, 18:24)

This is the Word of the Lord.
Thanks be to God.

At the time, the disciples thought that the Crucifixion was the most devastating thing to occur to the ministry of Jesus. But through the Resurrection, their eyes were opened and they saw the Crucifixion in a new light. The Risen Christ changes our perspective and we can perceive new opportunities. The Resurrection opens our eyes to see possibilities to create a better world for ourselves and for others.
