Hymn Downtown Campus Traditional Service

Sing with All the Saints in Glory

Sing with all the saints in glory, sing the resurrection song! Death and sorrow, earth's dark story, to the former days belong. All around the clouds are breaking, soon the storms of time shall cease; in God's likeness we, awaking, know the everlasting peace.

O what glory, far exceeding all that eye has yet perceived! Holiest hearts, for ages pleading, never that full joy conceived. God has promised, Christ prepares it, there on high our welcome waits. Every humble spirit shares it; Christ has passed th'eternal gates.

Life eternal! O what wonders crowd on faith; what joy unknown, when, amidst earth's closing thunders, saints shall stand before the throne! O to enter that bright portal, see that glowing firmament; know, with Thee, O God Immortal, "Jesus Christ whom thou has sent!"

Carry the Light

Scripture Ashleigh Robinson

And he sat down opposite the treasury, and watched the multitude putting money into the treasury. Many rich people put in large sums. And a poor widow came, and put in two copper coins, which make a penny. And he called his disciples to him, and said to them, "Truly, I say to you, this poor widow has put in more than all those who are contributing to the treasury. For they all contributed out of their abundance; but she out of her poverty has put in everything she had, her whole living." Mark 12:41 - 44

This is the Word of the Lord.
Thanks be to God.

Hymn

For the Fruit of All Creation

For the fruit of all creation, thanks be to God. For His gifts to every nation, thanks be to God. For the plowing, sowing, reaping, silent growth while we are sleeping, future needs in earth's safekeeping, thanks be to God.

In the just reward of labor, God's will is done. In the help we give our neighbor, God's will is done. In our world-wide task of caring for the hungry and despairing, in the harvest we are sharing, God's will is done.

For the harvests of the Spirit, thanks be to God. For the good we all inherit, thanks be to God. For the wonders that astound us, for the truths that still confound us, most of all, that love has found us, thanks be to God.
