Bible Point - God wants sincere worship

Key Verse: "Come, let us bow down in worship, let us kneel before the Lord our Maker." Psalm 95:6

God wants us to focus on and worship him with our whole hearts (John 2:13-22). Strengthen your family's faith learning and growth at home with this easy idea:

1. Talk about a time in church when something funny happened during worship, and a lot of people were distracted. Maybe someone fell asleep or a baby was crying.
2. Talk about the things that most commonly distract you when you worship, such as thinking about your upcoming week or watching other people around you.
3. Discuss ways you can help each other stay focused on worship and God.

PRAYER

God, we want to worship You and stay focused on You in everything we do. Teach us to worship You in a way that pleases You. In Jesus' name, amen.
