

# WHAT YOU DO MATTERS

---

As I look back at this year, I'm so blessed by everything you have helped us accomplish at St. Luke's. It is with your support that we are able to continue *Telling the Story* about our mission of *Sharing God's Love and Bringing Hope to the World*.

We celebrated so many milestones in 2018 and I encourage you to read through this booklet to see what your gifts and service have helped accomplish this year. We remain committed to sharing Christ, growing in faith, and serving the community. We continue to be one of the fastest growing United Methodist Churches in our state and nation, with more than 244 new members so far this year and a combined average attendance of 2,070 at all campuses.

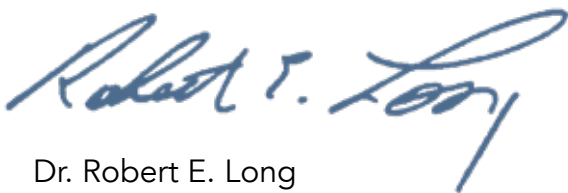

When you give to the General Operations Budget at your campus, you are supporting St. Luke's programming, missions, administration, ministry staff, and facilities. We are committed to making sure every gift makes a difference!

Your church leadership is committed to living within our means. That's why we ask every member to make a financial commitment (pledge) every year - so that we might budget for the ministry and mission we can do in the coming year.

In October, you will receive information about how you can pledge for the first time or renew your current pledge. We ask your family to prayerfully consider what you are able to commit to give to St. Luke's in 2019 and make plans to attend a special Commitment Service on Sunday, November 4. Pledge cards are available at the Welcome Centers or online at [stlukesokc.org/give](http://stlukesokc.org/give).

Please know we appreciate your generosity and are incredibly grateful for your support. Thank you for sharing God's love and bringing hope to the world!

Sincerely,

Dr. Robert E. Long  
Senior Pastor
