Bible Point: Jesus blesses people who have faith.

Key Verse: Set your minds on things above, not on earthly things. - Colossians 3:2

Jesus wants us to have faith in him (Luke 6:17-26). Strengthen your family's faith learning and growth at home with this easy idea:

1. Tell about a time you didn't have faith in Jesus to be there for you in a situation. What happened? What was the outcome?
2. After you share with your family members, have them each tell about a time they did something similar. Then discuss what things get in the way of your belief in Jesus.
3. When you've discussed your ideas, brainstorm ways to step out in faith in specific situations.

PRAYER

God, there is no one like You. You deserve all our love and attention. Teach us to focus on what's important to You. In Jesus' name, amen.
