

December

We hope everyone had a wonderful Thanksgiving and we are looking forward to the Christmas Holidays

St. Luke's Annual Christmas Sing will be December 14th at 3pm in the CLC. We are asking parents to not go to the classrooms but to go straight to the CLC. The tippi toes dancers will begin the program followed by the classroom songs. After your child performs they will be released to you to go back to their classrooms where the Christmas Parties will begin.

The Center closes at 5pm this day.

We will be recording the Christmas Sing and a copy will be distributed to each child's family. If you are needing more than one please email Paula or Mandi—amoon@stlukesokc.org or pelrod@stlukesokc.org.

Pictures

Pictures have been distributed to your children's classroom. There are two ways to order: on the proof form to be returned to the office or online. All proof order forms are due to the front office no later than Friday December 7th at 12 pm.

If you did not receive your pictures or you have questions, please contact Steven at Looksee Daisee photography at 405-408-6501.

Weather:

Please make sure that you bring a warm jacket and that your child is dressed appropriately for outside play each day.

All children will play outside unless the wind chill nears 32 degrees. Outside playtime will be adjusted as needed.

Kid's Korner

Amelia, told that she can't have a fifth book before bedtime, shouts: "You are the meanest mommy! You are not invited to my birthday party!" Derek, when offered a choice between carrots and cheese, not ice cream, before dinner announces: "I don't like the choices you are choicing me!" Alex hurls a bowl of his favorite cereal off the table and screams, "I said the red bowl, not the blue bowl!" If any of these exclamations sounds familiar, you are not alone. Welcome to what can feel like the Wild West of toddlerhood!

Dr. Claire Lerner explores what to do and how to deal with these irrational behaviors in the article attached to the newsletter, or see the link below.
