

February

St. Luke's Children's Center is so excited to introduce a new program opportunity for our children.

Soccer Shots is an engaging children's soccer program for ages 2-8 with a focus on character development. Their caring team positively impacts children's lives on and off the field through best-in class coaching, communication, and curriculum.

They will offer a free class for ages 2+ on February 22nd at 9:30. The classes will then start on March 8th -May 10th every Thursday beginning at 9:30am. If you would like more information on the Soccer Shots please come by the office and pick up a brochure or enroll at Soccershots.org

Medication Reminder

Just a reminder no medication, doctor prescribed or over the counter, may be stored in your child's bag while at the Children's Center as this poses a serious safety risk.

If your child is needing medication we must have a note from the Doctor with specific instructions and the time frame for which the medicine is to be given. The teachers must keep this medicine in a locked cabinet out of reach from the children and it will be sent home each evening.

If your child is not well enough to participate in all activities at school, including eating food normally, they are NOT well enough to be in attendance.

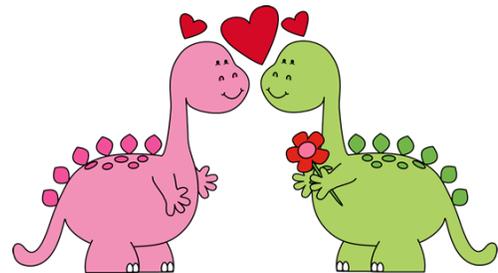

Important Dates:

February 19th—Closed for President's Day
Teacher In Service

March 30th— Closed for Good Friday
Teacher In Service

May 28th—Closed for Memorial Day

June 4th—Close at 4pm for Summer Kick Off

Valentine's Day Parties will be Wednesday , February 14th. Please check with your child's classroom teacher for party sign-ups and further details.

Due to the unpredictable Oklahoma weather, please make sure you have a couple change of clothes for both warm and cold weather, this includes a jacket. For the safety of your child, please make sure your child has on adequate shoes for playing outside. We feel tennis shoes, boots, or sandals with a back strap are best. Please do not wear flip flops or dress-up shoes.
