MARCH

Parents,

Can you believe March is already here! With all the holidays and changes in the New Year, we would like to make sure that we have the correct information of file. If you have changed addresses, jobs, or phone numbers, please let Mandi or Paula know so that we can add it to your file.

You should have received your annual parent survey from your child's teacher. Please complete these and return to the front office or your child's teacher by March 9th.
