

PEACE

Bearing fruit at home

What is peace?

Peace is not the absence of conflict, but rather the awareness of the sufficiency of God in every circumstance. Peace is found as we rest and rely on Him. Worry and anxiety often come as we take our eyes off our all-sufficient God. We can have peace even in times of trouble.

*Peace I leave with you; my peace I give you.
I do not give to you as the world gives.
Do not let your hearts be troubled
and do not be afraid.
John 14:27*

BEST USE

A family time activity to talk about peace

ADVANCE PREP

A Bible, balloon and a hair dryer

Step One

Read John 16:33. Jesus is telling His followers that there will be trouble but that we can trust Him for peace because He is in control.

Step Two

Blow up a balloon and tie it off. Have someone hold the balloon stem below the knot and tell them the objective is for them to hold the balloon very tightly and keep it still while the hair dryer or family member blows air on it. They will not be very successful. Tell them to hold on tight to try to control the balloon so it stays “peaceful in the storm.”

Step Three

Now, have someone hold the balloon by gripping the top of it. Try blowing the balloon now. (Blowing on it should not be able to affect the balloon.) This illustration represents the peace that God can bring when we allow Him to be in control. The circumstances may not change, but who we are trusting for peace does.

Step Four

Peace greatly involves letting go of control and allowing God to be our ultimate peace. As a family we can create an aroma of peace in our home as we team up with God and seek peace in Him.

Step Five

Allow each person to share one thing that they feel worried or “not-at-peace” about. Pray together specifically for those items shared. Thank God that He is in control and ask that He would give peace in each situation.
