

Greetings!

We are honored and grateful that you choose to worship online with us. I am Rev. Linda Harker and I have the joy and privilege of serving as Online Campus Pastor at St. Luke's.

We know that worshipping is such an important part of our faith journey. In our experience, worshipers have found great value when becoming involved in a church community. We believe we can serve and connect through online small groups, Bible studies, faith groups, and other opportunities to help you grow in your faith. You have a church home with us.

St. Luke's is a place you can depend on for receiving inspiration, encouragement, and support. As the Online Campus Pastor, I am available to walk with you when life is good and when life is difficult. Please let me know how I can be in prayer with you.

St. Luke's mission is to Share God's Love and Bring Hope to the World. We do that in three ways:

SHARE: Sharing the message of Christ.

GROW: We believe it is important to grow in our faith, to trust in God's unconditional love for us as God's children. We value the importance of sharing in group classes with one another as well as a personal daily devotional practice.

SERVE: Through our gratitude for Jesus, we believe we are called to follow in His footsteps and serve others.

We invite you to be a part of our mission at St. Luke's. Additional information about how you can share, grow, and serve as part of our Online Campus is available at stlukesokc.org/online. On that page is a survey you can take that will help guide me as we expand this area of ministry. If online worship is your only interest, we respect that and consider it a privilege when you worship online with us.

I look forward to serving with you, as together we share God's love and bring hope to the world.

Blessings,

Linda Harker
Online Campus Pastor
